HOT STONE MASSAGE

The Hot Stone Massage is an ancient Asian massage technique,
performed with volcanic stones (basalt) which are heated in water.
The warmed stones are placed on the body's energy points.

The volcanic stones have many benefits.

Their mineral content has a beneficial effect on the balance of body and mind.
Their warmth relaxes the muscles and reduces stress, tensions and tiredness.
They induce the dilation of the blood vessels, stimulate the metabolism and
improve the blood circulation, providing the cells and tissues with
more oxygen and helping to eliminate toxins.

KNOWING WHAT TO EXPECT AT THE SPA

Spa Etiquette

A trip to our spa should be a relaxing, blissful experience, but if it's your first visit, it can be slightly nerve-wracking not knowing what to expect.

The following tips will help maintain a pleasant atmosphere while you're being pampered. Your mobile phone should be turned off – and kept off – while in the spa. Please keep the volume low when having a conversation as our spa is a quiet place of relaxation. Children under 15 years do not have access to the sauna area and should go to the pool only accompanied by an adult. Please do not reserve the loungers while using the sauna or during beauty treatments.

Your health

Please make sure to let us know if you suffer from high blood pressure, heart disease, metabolism problems, allergies, pregnancy, recent surgery or other health restrictions at the beginning of your stay. We take it for granted that our guests are aware of their health conditions and know what treatment suits them best.

Clothing

We recommend wearing the bathrobe and the slippers you find in the hotel room. Please undress to your underwear for body treatments and massages. Our therapists go to great lengths to maintain guest modesty and will allow you to disrobe and get comfortable under the sheet on the massage table.

Sauna area

The sauna area is an area of strict nudity for hygienic reasons. Please use a towel to enter the sauna and make sure to put it on the bench or chair you've chosen.

Our guests can get further towels to protect their modesty.

Children under 15 years are not permitted to enter.

To book treatments

We recommend booking your treatments before arrival.

Please report to the Spa Reception a few minutes prior to your booked treatment.

Your therapist will meet you there.

Delay

If you are running late for a treatment, you may lose part of it as the spa therapists cannot push back their following appointments. The treatment will end punctually, so the next guest won't have to wait.

Cancellation policies

Please note that booked treatments can be cancelled free of charge up to 24 hours prior the appointment. Short-notice cancellations will incur a charge of 80% of the price of the treatment. We thank you for your understanding.
